A CHALLENGE!

The test of any publication is the accuracy and rapidity of its service.

Edwards Abstract from Records, always the original source of credit information in San Francisco, has perfected a complete organization for gathering credit information and reports of new business from all points in California, Oregon, Washington, Idaho, Nevada and Arizona.

Since establishing that service Edwards Abstract from Records has met every test by printing more and earlier credit information than any other credit information sheet ever printed in San Francisco.

We challenge any other daily notification sheet to prove that it has *any* organization in California for the gathering of such information, independent of the mercantile agencies, and to demonstrate that it can continue to furnish satisfactory service when thrown on its own resources.

The Saturday issue of The Abstract is the last that will be distributed free of charge. Beginning Monday The Abstract will be delivered only to subscribers.

Credit Men, interested in Notices of Sale, Attachments and Chattel Mortgages, should compare the number of these published in The Abstract with the number published in any other sheet, and should also compare the dates of publication. One sheet published notices on March 30 that The Abstract published March 26.

No other sheet covers New Incorporations and Court Actions as thoroughly as The Abstract. Retail Credit Men should not overlook the Divorce Actions.

Dealers in building materials and house furnishings should not overlook the opportunities for new business in the daily report of Applications for Building Permits.

Every business man alert for new business and every credit man alive to the requirements of his position—needs The Abstract.

Your signature on the annexed subscription blank will bring Edwards Abstract from Records to your desk every business morning.
